COAT HAS TRAIN.
One of the most gorgeous fur coats ever designed has just been completed for a motion picture actress. It is made of Russian ermine lined with burnt orange velvet and applied with silver. A long, double train is attached at the waistline and a large diamond buckle fastens the garment at the low waistline.

Stop "dosing" rheumatism. It's pain only. St. Jacobs Oil will stop any pain, and not one rheumatism case in fifty requires internal treatment. FEDERAL TAX IN UTAH REDUCED

Survey by Collector Anderson Shows Cut of \$3,619,590

The reduction in federal taxes in the collection district of Utah, effective for the current year, reaches the sum of \$3,619,590.80, according to a special survey of the cancellations and decreases in tax rates provided by the revenue act of 1921. This survey was completed by James H. Anderson, collector of internal revenue, for transmission to the bureau. The statement by the collector further shows this detail:

Payments in taxes for 1922 approximately as follows:

Income tax	\$2,968,453.16
Transportation tax	1,366,499.62
Sales and luxury tax	100,308.61
	\$4,375,252.39

The transportation, sales and luxury tax cancellations became effective January 1, of this year, and the income tax reduction covers 1921, as well as 1922 and thereafter.

Since the district office was opened on October 1, 1921, the Utah district has paid Uncle Sam \$14,384,613.03 in income taxes, and \$709,592.12 in sales and luxury taxes.

Since October 1, 1921, the transportation tax paid by Utah amounted to \$3,558,476.20. Of this amount \$1,941,009.19 was for freight and \$1,617,467.01 for passenger fares. This does not include transportation charges which were prepaid or were paid in other districts, which amount to a much larger sum. The transportation, sales and luxury tax for 1921 amounted to \$4,150,037.83.

This entire transportation tax has been taken off, and relieves every person in Utah who travels, pays freight, sends an express package, buys a Pullman berth, takes a drink of soda water, or attends an amusement where the charge does not exceed 10c admission. The reduction in the income tax affects every person who has a taxable income, and for heads of families the exemption is increased from \$2,000 to \$2,500, and for dependents from \$200 to \$400.

"The income tax paid for 1921 in Utah was \$5,085,036.13, while under the revenue act of 1921 it was reduced to 2,968,453.16 for 1921. This reduction of \$2,116,582.97 for 1921 affects 30,519 taxpayers, of whom 28,783 had incomes of less than \$5,000. In this year's list there are 37,869 income taxpayers, of whom 30,839 individuals had incomes of less than \$5,000, and 2,234 over \$5,000; the corporations numbering 4757.

"From this survey it will be seen that the reduction in federal taxes under the revenue act of 1921 represents a huge saving to the people of this district."

TOURIST INCREASE RAISES FIRE HAZARD

Lighter Seen for Woman

Due to the increasing tourist travel by automobile through the national forests the fire hazard is each year increasing, according to Assistant Forester Herbert A. Smith of the department of public relations with headquarters at Washington, who arrived in Ogden yesterday.

He expects to leave shortly for Missoula, Mont., and may go from there to San Francisco, Cal., before returning to Washington. He just attended a conference of forest officials from the forest officials of the national forests at Cooley, Ariz.

The increased tourist travel that takes advantage of the forests for hunting and recreation is also raising the fire hazard, he said, and a great deal of being done by the department of public relations in the use of fire on the forests.

He called attention to the fact that now being enforced, where all persons entering the national forests are required to get a permit, and that the permit is supplied with a list of the rules and regulations, and that the permit is out, did you?

CLEVELAND, Ohio. Mabel Chapman, a first degree murderess, is a resident of Cleveland, Ohio. She was sentenced to the Ohio State Penitentiary for a term of years for the murder of her husband, a wealthy man, who was killed by a very small woman and five men.
